## ARMADILLOS DECLARE SPECIES OF THE MONTH

Last week, we did a poll and armadillos were least voted so we gave them an entire section in this paper.

## DINOS FOUND OFF THE COAST OF COSTA RICA

Dinosaurs were found off the coast of Costa Rica.

Because of science and 90's films, our team of terrible experts

Went to the island called Isla Nublar. We found a Jurassic park,

A film crew and several props. They had about 2 hours of

Footage and let us watch. #spoilers #sorry

The dinosaurs killed a bunch of people ˘(ツ)˘

## JOIN OUR POLL FOR SOMETHING OR OTHER

Our poll is better than the north and South Pole!
